

WHAT IS UBER?

- Evolving the way the world moves, Uber is an app that allows you to request a safe, reliable, and affordable ride that arrives in **minutes**.
- Uber offers **quick pickups, vetted drivers, and trackable trips** for optimal safety and satisfaction

NO HAILING

The driver comes directly to your location.

HOW TO GET STARTED

1. On your smartphone go, open a web browser (either "Chrome" or "Safari")
In your search bar at the top of the screen, tap the screen then type: uber.com/app
A popup will appear on your screen asking "Open this page in 'App Store' or 'Play Store?'". Tap "Open" and you will go directly to the Uber app screen
2. When you get to the rider app page, you can read more about the app or start the Install process by tapping "Install" in green. This will take a few minutes to load.
(Can't remember your password to download apps?
iPhone app store - Go to iforgot.apple.com
Android play store- google.com/accounts/recovery)
3. Open the app and hit "Register"
4. Register with your email address, cell phone number, and credit or debit card
(not to worry - you're never charged unless you take a ride)

NO CALLING

Request a ride at the touch of a button within the Uber app.

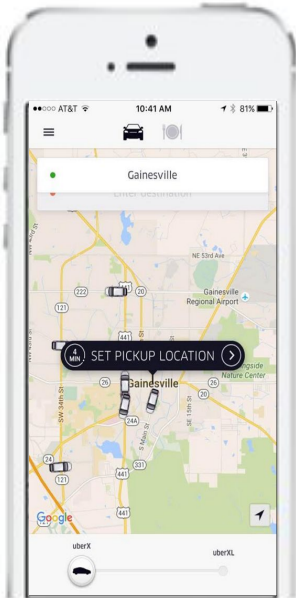

NO CASH

The fare is charged to the payment on file—no need to tip. We'll also email a receipt.

NO WORRIES

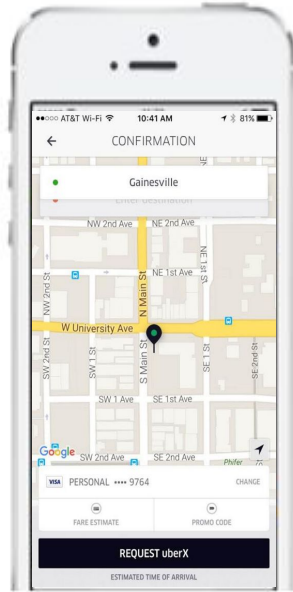

Access to a safe, reliable ride is always available.

SET YOUR LOCATION.

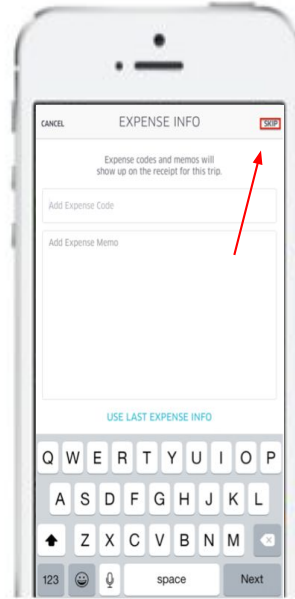

Tap to set your location. Get picked up wherever you are, whenever you are ready.

REQUESTING A RIDE

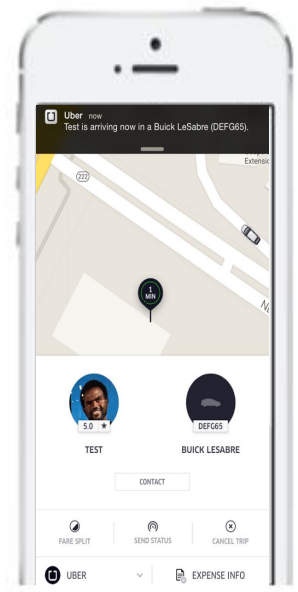

REQUEST.

Once you press request, you'll see the driver's name, picture, type of vehicle, and license plate number to confirm your driver.

SKIP.

When using the Freedom In Motion account, press 'Skip' in the top right corner. Then wait a few seconds until a driver accepts the request.

WATCH.

You'll be able to watch your driver navigate to get to you. You'll have the driver's name, vehicle, license plate number, and a photo!

1. **Set your pickup location.** Type in your location's address at the top of the screen or move the screen to drop a pin at the spot you want to be picked up. When you're satisfied, Hit the (>) next to SET PICKUP LOCATION
2. **Confirm pickup location.** Make sure that the pin or typed location is correct and hit the big black button saying "Request" at the bottom of the screen.
3. **Press "Skip".** If you are using the Freedom In Motion payment profile to pay for the ride, you will be asked for Expense Info. Just press the button in the top right corner saying "Skip" to request the ride.
4. **Watch your driver's progress.** We will match you with the closest available driver and tell you their name, vehicle type, license plate number and show you their photo. Watch their progress and estimated time of arrival on the map.
5. **Hop out.** When you've arrived at your final destination, just hop out! Your payment option will be charged automatically, and you'll receive your receipt by email.
